The BARTH Owner Stands Out From the Crowd

Particular people choose Barth Continental for their investment in family trailering fun.

Barth owners are discriminating. They know and demand quality. That's why they buy Barth.

They heed the call of adventure . . . the clear air of unspoiled nature . . . quiet roads lined with pines or palms, birch or redwood . . . the fresh splash of the trout stream and the roar of the ocean's surf.

They appreciate the security of knowing that whispering along behind is the easy-pulling, steady-tracking Barth chassis with its exclusive interlocking design for great rigidity and strength.

They want luxury, too . . . the stop-anywhere, live-anywhere convenience of total self-containment . . . the quality and convenience of the best components available.

They enjoy their membership in the Barth Rangers' Club, the pleasure of getting together with other discriminating trailer owners.

Maybe Barth is the travel coach for *you*. Now is the time to find out.

BARTH ASTRODOME

Only Barth gives you the bright feeling of spaciousness provided by the unique optional Barth Astrodome. Soft light radiates through the translucent skylight; harsh glare is filtered away. Double-dome construction forms a permanent seal against heat, cold and precipitation.

BARTH CONTINENTAL CARPETING, in eye-catching colors, is but one of the home-like features of the Barth Continental travel coach. Resilient and luxurious, yet tough and washable, Barth Continental Carpeting resists dirt, stains and moisture. High-pressure laminate wall and ceiling paneling combines beauty, toughness and ease of cleaning. And Barth's big-home closet and cabinet storage space is unmatched in any other trailer.

PATENTED RIGID CONSTRUCTION

Barth's exclusive, patent-protected* interlocking frame and chassis design provides unmatched strength, rigidity and light weight. Riveted aircraft-aluminum construction gives easier, truer towing, longer life, greater safety and security.
